FALEOMAVAEGA FOR CONGRESS COMMITTEE
P.O. BOX 44669
WASHINGTON, DC 20026

March 30, 1997

Mr. John Gibson
Assistant Staff Director
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Mr. Gibson:

Enclosed with this letter is an amended Schedule A for the 30-day Post-election Report of Receipts and Disbursements for the Faleomavaega for Congress Committee for the general election held on November 5, 1996 in the Territory of American Samoa. The report covers the period October 31, through November 25, 1996. This amendment is being filed in response to a FEC letter dated February 14, 1997.

The original report for this period incorrectly reported a contribution from the National Unity Caucus Tecumseh Club in the amount of \$2,000 received on November 6, 1996. On inquiry of the contributor, it was determined that the National Unity Caucus Tecumseh Club was the conduit for two \$1,000 earmarked contributions as reported on the attached amended Schedule A. The aggregate year-to-date total of \$3,000 reported for the conduit reflects the total of the two earmarked contributions, plus a contribution of \$1,000 made on October 23, 1996 which was previously reported.

For the record, the FEC letter raising this issue was in transit for an unusually long time, and was not delivered to the Faleomavaega for Congress Committee by the U.S. Postal Service no earlier than March 10, 1996, the date of a second postmark on the envelope in which it was contained. A copy of this envelope was previously filed with the Commission.

Sincerely,

Martin R. Yerick
Assistant Treasurer
